

To,

All the Chief Medical Officers,
Himachal Pradesh

Dated Shimla-9, the

Sub: Regarding Free Diet to women.

Sir,

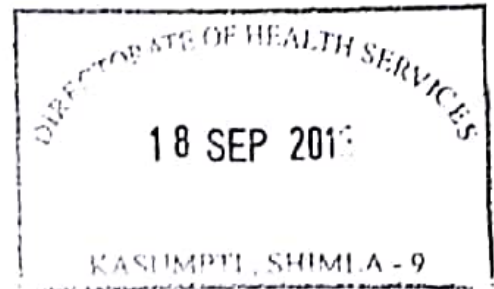

Keeping in view that infants up to the age of six months are to be exclusively breast fed and no additional diet is required by them whereas the mother of the infant needs to remain in the premises of the public health institution if the infant is admitted.

It has been decided by the Government to provide free diet to a woman, whose infant up to six months, is admitted in a public health institution even if the mother herself is not admitted in the hospital.
