

## **Guidelines for Health functionaries under JSY:**

- It is mandatory that all the JSY beneficiaries be registered for ANC checkups at their respective health institution (either a Sub Centre or a PHC / CHC / CH / DH / State Hospital).
- The benefit should be given at the time of Delivery before discharge from the hospital.
- For Home Deliveries Health Workers will disburse the amount.
- MCTC seeding of all beneficiaries is essential for assured benefit.

## **For Institutional Deliveries in a Govt. Health Institution located within H.P. :**

- Every health institution will identify one nodal person for JSY and he / she will be responsible for making the payment of JSY financial benefits (Rs. 700/- for rural area women and Rs. 600/- for urban area women) to the beneficiary in the institution itself and a certificate to this effect will be recorded on the Discharge Slip of the JSY Beneficiary.
- Disbursement of money to the expectant mother going to her mother's place for delivery should be done at the place she delivers. The entitlement of financial benefits should be determined by her usual place of residence (urban / rural).
- The benefits under JSY should be given to all the registered

beneficiaries who deliver in a Government Health Institution whether that is located in Himachal Pradesh or in any other State.

- Disbursement of JSY benefits to institutional deliveries occurring outside the State will be done by the Health Workers on the return of JSY beneficiary to her place of residence in H.P. subject to the condition that same benefits have not been given to her at the place of her delivery outside H.P.

### **For Institutional Delivery in Accredited Private Health Institution located within or outside H.P.**

- JSY benefit will be disbursed by the Health Worker to the JSY beneficiary on her return to her home after delivery in an accredited private health institution whether located in H.P. or outside H.P. as soon as possible.
- In case the benefit cannot be given within 7 days of the delivery, it should be given when the beneficiary returns or she approaches for the same.

### **Mode of Payment:**

- Through DBT for which MCTC seeding is essential in which Aadhar Card Number and Bank account number is required.
- Through Account Payee Cheque.

## **Subsidizing cost of Caesarean Section or Management of Obstetric Complication:**

- Where Government specialists are not available in the Govt.'s health institution to manage complication or for Caesarean Section, assistance up to Rs. 1500/- per delivery could be utilized by the health institution for hiring services of specialists from the private sector and Govt. health institutions under JSY.
