Subject :

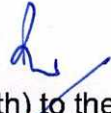

**Recommendations of COVID-19 Patients and  
Ambulances Committee.**

Sir/Madam,

As per directions of State Government and in line with the recommendations of above said committee, All are requested to take necessary steps and to provide immediate care and treatment to COVID19 patients on below mentioned points.

1. In order to reduce transportation time from home isolation to facility and inter-facility transfer, the district administration should explore all available means of transportation such as vehicles available with army, paramilitary, ESI, Hydro-electric Project and HRTC etc. in addition to NAS -108 and JSSK-102 ambulances already deployed by this office.
2. The NAS-108 ambulances may be used for transportation of patients who require high flow oxygen. The JSSK- 102 ambulances after equipping these with oxygen cylinders may be used for patients requiring low flow oxygen. The other vehicles may be used to transport patients who may not require oxygen supplementation.
3. Compliance be done to the circular regarding protocol for mobilisation of dedicated COVID ambulances notified vide no. NHMHP-EMRT0GCOR/5/2019-NHM-HP -10213 dated 7<sup>th</sup> December 2020.

It is requested that preparedness in this regard may be made accordingly in the interest of COVID-19 patients, as per need.
