**Subject: Regarding revised testing targets for the districts**

Madam/Sir,

In continuation to this office letter of even no. -19851 dated 9<sup>th</sup> March 2021, it has come to notice that the COVID-19 testing in the State has recently declined and the proportion of RT-PCR testing has also fallen. Therefore it is once again reiterated to ensure that over all testing in the district should not decline and it is also directed to scale up the RT-PCR testing in your respective district.

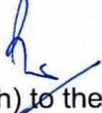

Revised district wise daily testing target is given below:

| District wise testing Target per day |              |
|--------------------------------------|--------------|
| District                             | Target       |
| Bilaspur                             | 1440         |
