Kasumpti-171009
2. All the Chief Medical Officers,  
Himachal Pradesh

Dated Shimla9-, the

Subject: Establishment of Health & Wellness Centres in Himachal Pradesh.

Sir/Madam,

There is global evidence that Primary Health Care is critical in the primary and secondary prevention of several disease conditions including Non-communicable diseases. The provision of Comprehensive Primary Healthcare reduces morbidity and mortality at much lower cost and significantly reduces the need for secondary and tertiary care. Primary Health care goes beyond first contact care and is expected to mediate a two-way referral support to higher facilities and ensure follow up support for individual and population health intervention.

The 12<sup>th</sup> Five Year Plan identified Universal Health Coverage (UHC) as a key goal and had called for 70% budgetary allocation to Primary Healthcare in pursuit of UHC for India. The National Health Policy 2017 recommends strengthening the delivery of primary health care, through establishment of "Health & Wellness Centres" as the platform to deliver comprehensive primary health care and called for a commitment of 2/3<sup>rd</sup> of the health budget to primary health care. In February, 2018, the Government of India announced that 1.5 lakh HWCs would be created by transforming existing Sub Health Centre and Primary Health Centres to deliver Comprehensive Primary Health Care and declared this as one of the two components of AYUSHMAN BHARAT.

In these lines, the Government of Himachal Pradesh has taken a decision to establish Health & Wellness Centres in 122 PHCs and 8 UPHCs in the 1<sup>st</sup> Phase as per Annexure-'1' in the year 2018-19. The detailed guidelines of this scheme can be viewed at [www.nrhmp.gov.in](http://www.nrhmp.gov.in). The guidelines intend to serve as a framework for operationalizing the multiple components required for the delivery of comprehensive primary health care services through Health & Wellness Centres.

I am confident that the districts will take this initiative forward with a zeal, collaboration and commitment that it deserves and it would be useful in accelerating our efforts towards achieving Universal Health Coverage in the state.
