

National Health Mission
SDA Complex, Kasumpti, Shimla-9
Himachal Pradesh
Dated: Shimla-171009, the

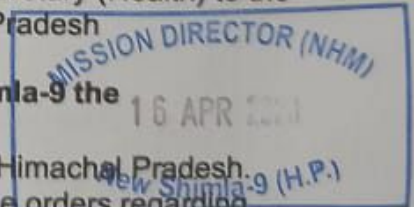

Circular

It is being observed that there is inter-state movement of many persons in the vehicles which are plying for supply of essential goods daily apart from persons entering the State on permits issued by the authorities in other states. Accordingly, to regulate all inter-state entries, it has been decided that:

1. Screening centres will be established at all the inter-state barriers on entry points.
2. All the persons entering the State will be tested with rapid diagnostic tests at these screening centres. These kits are being made available to all districts with inter-state borders.
3. Temporary quarantine centres of at least 15-20 beds will also be established near these screening centres.
4. Any person found positive will be shifted to these quarantine centres and will not be allowed to travel inside the State. He/ She will be further confirmed for Corona virus with RT-PCR tests and will be kept in isolation centres as per the requirement.
5. Similarly, any movement from the designated hot spots will also be monitored and persons with ILI etc. will be tested with the rapid diagnostic kits for identification of any COVID-19 positive cases.
6. The staff for these screening centres will be provided through the respective Chief Medical Officer who will also impart necessary trainings etc..
