Subject: Regarding the Calls for registration of persons after inter district movement at 104 Call Center (24X7) State Helpline.

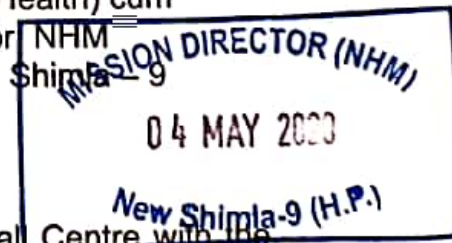

Sir/Madam,

This is with reference to the unprecedented number of calls being received at Comprehensive Call Center Helpline 104 (24 X 7) from the Health Workers, ASHA workers and other officials from different districts of Himachal Pradesh for the registration of persons for inter-state and inter-district movement. This is leading to unnecessary load on the system and is depriving other callers of valuable health related advice.

You are therefore requested to kindly direct officials in your respective district not to call on 104 Call Center (24X7) for registration of inter-state/inter-district movement and the dedicated helplines established by the SDMA may be employed for the same.

Yours sincerely,

  
Special Secretary (Health) cum  
Mission Director, NHM  
Himachal Pradesh, Shimla-9
