Subject: Regarding procurement of logistics required for COVID 19 testing. (H.P.)

Sir/Madam,

Government of India is monitoring the availability as well as supply of various logistics (VTM, RNA extraction kits and RT-PCR reactions etc.) required for COVID 19 testing through the ICMR portal. So you are requested to ensure the daily updation of availability and requirements of various items over that portal. As per telephonic discussion held with ICMR Nodal person for the State these requirements will be approved by the ICMR & their supplies will be available from PGI Chandigarh now onwards. Different testing Centres will be collecting their approved quantities from the PGI Chandigarh. The Nodal person at Chandigarh Dr. Mini P Singh (Professor & Nodal Person, COVID 19 testing, Department of Virology, PGIMER, Chandigarh, Mobile 7087008713).

All testing facilities are suggested to keep the buffer stock of required items for atleast one week as per their tentative requirements and the testing load. If there is any issue of supplies from the ICMR source or there is shortage of any items, the Dr RPGMC Authorities will undertake gap filling for IHBT Palampur and the districts catered by the later. Similarly, IGMC authorities shall supply the required items to CRI Kasauli and districts catered to by the later. SLBSGMC Ner Chowk shall procure the same at its own level in case of shortage. Needless to say, the codal formalities as prescribed shall be followed for the procurement.
